

TREC Isle of Man

October Newsletter

17th October 2021

TREC Isle of Man News

Welcome to our quarterly newsletter. We've had a great year - once we were able to get going after the lockdowns & border restrictions.

We were able to welcome Helen Wain along with her husband Pete over in July where Helen was able to oversee our competition as Technical Delegate. She was able to offer some training sessions as well as a very interesting demonstration. We hope to have Helen back again over the winter for some more training sessions & some judges training.

We tried something new this summer by having a trade stand at the Southern Agricultural Show to further promote our sport. It was really good to see lots of new people showing an interest. We hope they will come and give some of our indoor competitions a go over the winter.

It was also great to welcome some new “Treccies” to the Island as Peter & Paula Bean visited us in September - overseeing our second Affiliated Competition. It was great to show them our Island and receive some invaluable feedback from them.

Thank you once again to the Kerruish & Vernon families for your kind hospitality at our two summer competitions. Without the generosity of the landowners it wouldn't be possible to host these competitions. Thanks must also go to St John Ambulance for their first aid cover.

If anyone would like to be actively involved in helping or volunteering please get in touch. We are always looking for more help as that can enable the committee to take turns in competing themselves.

We have put forward teams for all the Manx Horse Council Team competitions so far - some with more success than others ! The Driving Championship in particular looked a lot of fun. We hope to continue to support the last of the championships - Dressage, Arena Eventing, Quiz & Show Jumping.

TEAM Isle of Man

Our TREC Isle of Man Team were able to compete at the TREC GB National Championships at Brynllwelyn, Llanllwni, Pencader, Carmarthenshire in August. Jo competed in the Level 2 Individual taking 6th place , Gillian & Caroline in the Level 2 Pairs with 2nd & Reserve Champions & Sam in the Level 2a Individual was 6th. Many thanks must go to the Isle of Man Steam Packet for their support.

The 2022 Championships are due to be held “locally” so we are hoping to organise for a large team to travel over to the Oldham area in August 2022. If anyone is interested please contact one of the committee who will be glad to advise and include you in any travel plans.

**NATIONAL
CHAMPIONSHIPS 2022
- SAVE THE DATE**

The National Championships 2022 have been provisionally booked for Friday 12th August - Sunday 14th August 2022 in the Oldham, Greater Manchester area.

TREC GB will confirm the date and venue as soon as possible.

Applications from clubs to host the Grassroots Championships 2022 are still welcomed.
